Helmet Numbers Short Track Speed Skating Season 2023/24

1. Use of Dedicated Helmet Numbers

a) The dedicated helmet numbers shall be used at all ISU Events (ISU Championships and ISU World Cup Short Track Competitions), except for the ISU Junior World Cup and ISU World Junior Short Track Speed Skating Championships where helmet covers will be provided.

b) These dedicated helmet numbers are assigned based on the Overall World Cup Classification of the 2022/23 season.

c) Skaters who did not participate in any ISU World Cup Short Track Competition 2022/23 will receive the next available number, after the helmet numbers already assigned, the first time they will participate in an ISU Event during the season 2023/24, and such a skater will keep this assigned helmet number for the rest of the season.

d) The black numbers on white surface will be glued as oval stickers of the size of 8 x 14cm (height and length) on the left-hand and right-hand side of the personal helmets and **shall not** be removed during the whole season. The ISU has a limited availability of helmet stickers for replacements. The ISU does not accept responsibility for damages to the design/artwork on the helmet incurred when applying these numbers.

e) The numbers (stickers) will be provided by the ISU in accordance with the below list at the first ISU Event of the season. For those Skaters not attending the first ISU Event, the number (sticker) will be distributed at the first Event of the season the Skater will be attending.
