About the ISU Junior Grand Prix of Figure Skating Series

The ISU Junior Grand Prix Figure Skating Series started in 1997. It includes seven events and the ISU Junior Grand Prix of Figure Skating Final. The Series features some of the up and coming Skaters of the world and provides young skaters aged 13 to 19 (21 for the male Ice Dance and Pair Skating partners) with the opportunity to compete at a high international level. A points system based on the ranking has been established to determine the qualifiers for the ISU Junior Grand Prix of Figure Skating Final. Points are obtained according to the results in each of the seven events and only the top six Skaters / Couples in each discipline can qualify for the Final. The ISU Junior Grand Prix of Figure Skating is financed by the [ISU Development Program](#).

Since 2011 all events of the Junior Grand Prix of Figure Skating Series are live streamed on the official [ISU Junior Grand Prix of Figure Skating YouTube Channel](#)
