Sustainability

City	Country	Sustainability plan
Shenyang	CHN	If we are honored to be the host city of 2026/2027 ISU Four Continents Figure Skating Championships, we are sure that this event will maximize the promotion and popularization of figure skating in China during the "post-Beijing Olympic Era". And it will not only encourage more people to learn, like and love figure skating, but also promote the social development of venues and surrounding industries. It will be an amazing opportunity for the city to enhance the vitality of the market and provide financial and human support for the better development of figure skating.
