

THE ROAD TO SUCCESS

ISU CENTER OF EXCELLENCE SHORT TRACK AND LONGTRACK

SEASON PROGRAMS & TRAINING CAMPS

THE NETHERLANDS

2023 - 2024

KNISB

The ISU Center of Excellence

Our Goal: To offer our Knowledge, Experience and Expertise in the amazing Ice rink facilities (Thialf- Heerenveen) to the rest of the World. Therefore, ensuring future sustainability of the sport for the entire Ice skating family all over the World.

Option 1

Short Track & Long Track Options

All year round (from 1 July 2023 until March 2024)

‘Full Time Program’

From the 1st of July 23-24 season, we will organize ‘Full-Time’ training program’s in both Long Track and Short Track. Join now for a tailor-made program based on your level. Within Long Track you will join existing training groups of skaters’ with proven ‘track record’.

For Short Track we are looking to create an international training group of maximum 12-15 skaters.

Option 2

'Training Camps'

Short Track

From the 1st of July 2023 we will also be organizing additional Short Track Training Camps each consisting of a period of 7-10 days.

There will be a maximum number of twenty skaters allowed.
Registration will be based on a first come first serve basis.

Training Camps Dates Season 23 - 24

Camp 1.	Camp 2.	Camp 3.	Camp 4.	Camp 5.	Camp 6.
Summer Camp	World Cup Prep	YOG Prep 1	YOG Prep 2	Worlds Prep 1	Worlds Prep 2
19 June until 25 June	25 Sept until 4 Oct	20 Nov until 26 Nov	08 Jan until 12 Jan	19 Feb until 1 March	4 March until 11 March

Long Track

Long Track organizes Training Camps on special request for teams. The ISU Center of Excellence is open to host and work with a detailed program for your team.

Both options are 'Open' to skaters from all over the World. During the week(s) skaters will be provide with a tailor-made training program that includes ice training, strength & conditioning and numerous workshops.

Option 3

‘KNSB Talent Teams’

There are three KNSB Talent Teams Short Track in the Netherlands. North (Heerenveen), Middle-East (Utrecht) and Southwest (Dordrecht).

All three KNSB Talent Teams are part of our structure in the development pathway to our Senior National Team. We have a maximum of 2 spots per KNSB Talent Team and acceptance will be based on a first come first serve basis.

The Ice rink Thialf in Heerenveen will be the ‘base’ location where both the Long Track & Short Track program’s will take place. You may reserve your ‘spot’ for the all year-round full-time program or one of the camp’s by registering with the link below.

To request a ‘spot’ in a KNSB Short Track Talent Team’s, please send an email to w.oreilly@knsb.nl indicating what your desired location is.

The Program

The Program will be organized in conjunction with other ISU members.

The weekly program will be 'run' by the ISU Center of Excellence coordinator. The coordinator will oversee the day-to-day operational issues. For both the Full-Time programs and camps a qualified coach will run the day-to-day sport technical program.

Ice Training

1 or 2 times per day

Strength & Conditioning

1 to 3 times per week

Workshops

Material, new ISU rules

Safety First!

Thialf ice rink has certified padding in their facility and is one of the two rinks in Holland with a Free-Standing Padding System for Short Track. Ensuring the minimum risk of injury should you take a fall.
