### Qualifying competitions and qualifying times for Speed Skating events at the 2022 Olympic Winter Games

The qualification system for the XXIV Olympic Winter Games, Beijing 2022 is outlined in a dedicated document issued by the International Olympic Committee (IOC) and International Skating Union (ISU) on 18 November 2020. In accordance with the aforementioned document, the ISU hereby announces the applicable qualifying competitions and qualifying times for Speed Skating events at the 2022 Olympic Winter Games.

#### 1. Qualifying Competitions for determination of event entry quotas

1.1. The event entry quotas for the respective individual distances / events: for Women 500, 1000, 1500, 3000, 5000 meters and Mass Start and for Men 500, 1000, 1500, 5000, 10 000 meters and Mass Start, will be determined by the Special Olympic Qualification Classification (SOQC) based on results from the following ISU World Cup Speed Skating Competitions:

- |                                      |                      |
|--------------------------------------|----------------------|
| ○ ISU World Cup Tomaszow Maz. (POL)  | November 12-14, 2021 |
| ○ ISU World Cup Stavanger (NOR)      | November 19-21, 2021 |

### 3. Conditions for recognition of achieved Qualifying Times

3.1. Skaters need to achieve Qualifying Times during the period *July 1, 2021 – January 16, 2022*.

3.2. Only the following competitions will be considered for achievement of Qualifying Times:

- ISU Championships;
- ISU World Cup Speed Skating Competitions (as listed in section 1 above);
- International Competitions open to all ISU Members, announced according to ISU Regulations, Rule 110, paragraph 2;
- National Championships organized by the ISU Members, and competitions officially declared by the ISU Member concerned as National Olympic Qualification competitions.

3.3. For National Championships/National Olympic Qualification competitions to be considered for achievement of Qualifying Times, the organizing ISU Member must announce to the ISU Secretariat *by October 1, 2021* (see Rule 104, paragraph 14.c) the program as well as the planned date and place for such competitions. A copy of the announcement for the competition must be sent to the ISU Secretariat not later than two weeks before the first competition day.

Moreover, ISU Regulations must be respected, in particular, but not limited to, the following conditions must be met in order for competitions to be recognized for achievement of Qualifying Times:

- Automatic timekeeping equipment must have been used at the competition;
- The Referees and Starters at the competition must be included in the lists of ISU recognized Speed Skating Referees and Starters for 2021/22, as published in ISU Communication No. 2394, or any amendments to this Communication;
- Anti-Doping tests in accordance with the valid ISU Anti-Doping Rules and ISU Anti-Doping Procedures must be conducted at the competition.

### 4. Verification and approval of achieved Qualifying Times:

The ISU Speed Skating Technical Committee is responsible for the approval of achieved Qualifying Times.

The ISU Members are responsible for submitting to the ISU verification of the best achieved Qualifying Time per event/distance for each Skater intending to participate in the 2022 Olympic Winter Games. The verification shall include the date and venue where the time has been achieved. Unless the time has been achieved at an ISU Championship or an ISU World Cup Competition, a copy of the list of results must also be enclosed. Furthermore, the verification must include a statement from the organizing ISU Member that all conditions for recognition of achieved Qualifying Times (as stated above) have been fulfilled. This information must reach the ISU Secretariat (by e-mail to [prahin@isu.ch](mailto:prahin@isu.ch)) *not later than January 17, 2022*.
